GSTN Advisory on Multi-state registration facility dated 01/10/26

- A "Multistate Registration" tab has been introduced on the homepage of the Common Portal. This facility allows taxpayers to apply for GST registration in multiple States/UTs simultaneously, under the same PAN.

- The applicant can select the required States/UTs, upon which a Master TRN is generated. Further, common registration information is required to be filled up along with this.

- Once above common information is submitted, individual TRNs are generated for each selected State/UT.

- The applicant may thereafter furnish the remaining State-specific details.
